# Exo Economy Staking (aka earning interest)

The screenshot displays the EXOS Wallet interface. At the top, there's a header with the EXOS logo, the word 'Wallet', and a notification 'A new version is available!' with download, star, and notification icons. A left sidebar contains a 'Menu' with options: Dashboard, Wallet (highlighted), Settings, EXOS Swaps, Log out, and a back arrow. The main content area is divided into three sections: 'Staking', 'Details', and 'Transactions'. The 'Staking' section shows metrics like 'Your weight is 991,304.748759 EXOS', 'Network weight is 3,283,040.52 EXOS', 'Expected reward time is: 35 minutes', and '% Network: 2.99%', along with a 'Stop Staking' button. The 'Details' section lists parameters: 'Staking: true', 'Errors:', 'CurrentBlockSize: 225', 'CurrentBlockTx: 1', 'PooledTx: 0', 'Difficulty: 306,977,496', and 'Search interval: 16'. The 'Transactions' section has tabs for 'ALL (1481)', 'RECEIVED (4)', and 'SENT (3)', with a table showing four 'staked' transactions, each with an amount of '+1' and a date in July 2021.

The screenshot shows the Exoeconomy dashboard. On the left is a dark sidebar with the Exoeconomy logo and a menu: DASHBOARD, LEARNING PATHS, COURSES, LEARNING ITEMS, ORGANIZATIONS, USERS, and ADMIN REPORTS. The main content area has a header with the Exoeconomy logo and a circular seal. Below the header are tabs for STATUS, ENROLLED USERS (0), and DESCRIPTION. The DESCRIPTION tab is active, showing a video player with the title 'What is EXOS token?' and a red play button. Below the video player, it says 'You will learn:' followed by two bullet points: 'a - What is token EXOS' and 'b - What are basic the functions?'. At the bottom, there are links for 'COURSE MATERIALS' and 'FOLLOW US'.
